

## NOTICE TO BIDDERS ADDENDUM NO. 1

This Addendum changes the terms of the Bid Proposal and/or plans associated with the Monroe County Road Commission project indicated below. By submitting a bid, any and all changes included in this Addendum are made a part of the contract.

**MCRC Project No.:** N/A  
**Project Description:** 2016 Monroe Township HMA Paving Program  
**Bid Date:** Tuesday, May 17, 2016 at 10:00 a.m.  
**Addendum Date:** 5/13/2016

### DESCRIPTION OF CHANGES:

**Proposal** 1) **Add** the following section to the Instructions to Bidders and General Conditions starting on page 7:

#### ALTERNATE BIDS

This contract is an alternate stabilization bid contract where Contractors are allowed to submit a bid that includes the price for either the emulsified asphalt stabilization alternate or the asphalt cement stabilization alternate.

Alternate 1 is the emulsified asphalt stabilization, and Alternate 2 is the asphalt cement stabilization. Contractors are allowed to bid only one of the alternates. **Do not enter unit prices for the unwanted alternate.**

**Proposal** 2) **Add** the following descriptions to the Items of Work section on page 8:

**Emulsified Asphalt Stabilized Base Course, 6 inch (Syd)** – The Emulsified Asphalt Stabilized Base Course, 6 inch item of work shall be in accordance with the Special Provision for Emulsified Asphalt Stabilized Base Course, 6 inch attached to the proposal. This item of work will be used for stabilizing the existing aggregate base material as noted in the Log of Work attached to the proposal.

**Emulsified Asphalt (Gal)** – The Emulsified Asphalt item of work shall be in accordance with the Special Provision for Emulsified Asphalt Stabilized Base Course, 6 inch attached to the proposal. This item of work will be used for stabilizing the existing aggregate base material as noted in the Log of Work attached to the proposal.

**Proposal** 3) **Add** the following descriptions to the Measurement and Payment section on page 10:

The Engineer will measure and pay for **Emulsified Asphalt Stabilized Base Course, 6 inch** in accordance with the Special Provision for Emulsified Asphalt Stabilized Base Course, 6 inch attached to the proposal. The unit price for Emulsified Asphalt Stabilized Base Course, 6 inch includes the cost of providing temporary signs, channelizing devices and traffic regulators for maintaining traffic.

**NOTICE TO BIDDERS  
ADDENDUM NO. 1**

The Engineer will measure and pay for **Emulsified Asphalt** in accordance with the Special Provision for Emulsified Asphalt Stabilized Base Course, 6 inch attached to the proposal.

**Proposal**      4)    **Revise** the Schedule of Items on pages 12 and 13 to add the alternate bid section for the stabilized base course.

**Proposal**      5)    **Revise** the Quantity Summary to add the alternate bid items

**Proposal**      6)    **Add** the Special Provision for Emulsified Asphalt Stabilized Base Course, 6 inch

**Proposal**      7)    **Delete** original proposal and **Replace** with the attached revised proposal that incorporates the revisions described above.
