Responded By: Frank Westenkirchner
Response Date: July 24, 2018

The following question(s) and answer(s) are provided below in response to an inquiry received regarding the above project:

Question No. 1: Should the Design Services Pricing Documents be divided between each structure or is one design price being requested?

Answer No. 1: The Design Services RFP Pricing Document submittal shall be one price for both structures combined. The Consultant selected will receive both bridges for design and shall not be split between more than one Consultant.

Question No. 2: Will the plan quantities and Engineer's Estimate be divided between each structure?

Answer No. 2: The plan quantities and Engineer's Estimate shall be separated for each structure. The Monroe County Road Commission will be bidding both bridges as one contract to be awarded to one contractor. For construction contract payment purposes each bridge shall be a separate project.
