

ROAD CLOSURE

SWAN CREEK ROAD AT GRUNDMAN DRAIN

between Sigler and Labo Roads

When Will This Be Done?

The closure will be put in place on Thursday, February 23, 2017.

The road will remain closed for the foreseeable future, until such time that the drain crossing can be surveyed, a new culvert sized, permitted, financed, and replaced.

How Will Traffic Be Affected?

This will be a total road closure at the culvert. Local residents will be able to access their homes. Address numbers 10025 to 10841 will have to come and go from Labo Road south of the closure. Address numbers 10881 to 10947 will have to come and go from Sigler Road north of the closure.

Due to the local nature of the traffic a detour will not be signed.

How Can I Help?

Please drive safety and do not cross at the culvert location.

*****CONSTRUCTION WORK ZONES NEED YOUR UNDIVIDED ATTENTION*****

What Is Being Done?

The Monroe County Road Commission will be closing Swan Creek Road at the Grundman Drain due to the failure of the culvert under the road. This closure is located between Sigler Road and Labo Road. The culvert is approximately 1/4 mile south of Sigler Road and 1 mile north of Labo Road.
