TRAFFIC CONTROL ORDER

The Monroe County Road Commission (MCRC) passed Traffic Control Order #21-02 at their meeting Monday, October 25, 2021. This order will change traffic control at the intersection of Albain Road and Lewis Avenue to a Four-Way Stop Controlled intersection.

This change was required after study of traffic volumes and crashes at this location indicated the need for a multiway stop. These signs are scheduled to be installed by MCRC crews on **Tuesday, November 16, 2021**, weather depending. Please be aware of this change and drive carefully at and near this location.
