August/September 2017

## OPEN HOUSE FOR ASSENMACHER

Our friend and colleague for the past 19 years, Scott Assenmacher will be departing from the Road Commission. While we will miss Scott's many contributions, his energy, support and enthusiasm, we are happy for Scott and this new chapter in his professional life.

Mr. Assenmacher started at the MCRC in May 1998 as an Engineer Assistant, then moved into a Staff Engineer position, and finally moved into the County Highway Engineer position upon the retirement of Paul J. Bockstahler in May, 2006 . Scott has brought fresh ideas, creativity, innovation and efficiency to his position over the years.

A Farewell Open House for Mr. Assenmacher will be Wednesday, Sept. 6, 2017 from 1:30 p.m.—3:00 p.m. in the

MCRC Board Room. Please join us as we congratulate Scott on his many accomplishments and wish him well in his next journey into the private sector.

### MCRC HOLIDAYS

The MCRC will be closed Thursday, August 31; Friday, September 1, and Monday, September 4, 2017 to observe the Labor Day Holiday

*Every job is a self-portrait  
Of the person who did it.  
Autograph your work with **excellence!!***

## YOU ASKED A QUESTION

The MCRC often receives questions about a particular service or concern about the roadway. The Road Commission will try to address those concerns and questions. If you have a question you would like published in the bi-monthly newsletter, please forward it to customer service at [mrcr@mrcr-mi.org](mailto:mrcr@mrcr-mi.org) or 734-240-5102.

### *Where can I obtain a Monroe County map?*

You can pick them up at the Monroe County Road Commission main facility. The cost is \$2.00 each.

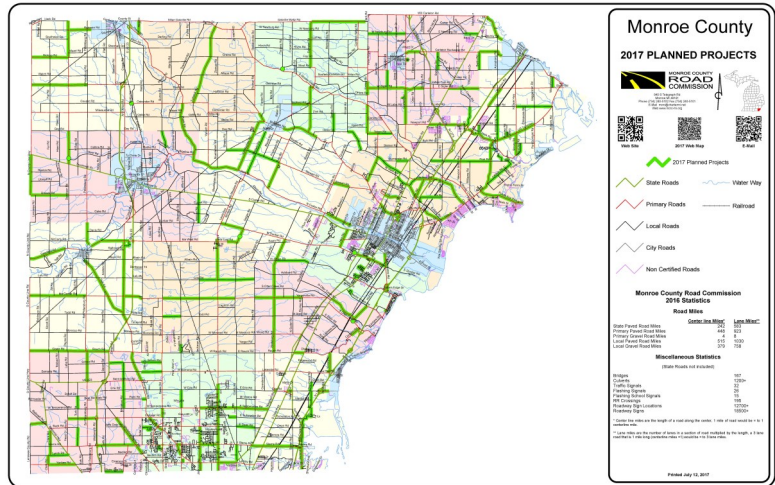

## UPDATED 2017 MCRC CONSTRUCTION MAP

The map outlining the work to be done in 2017 can be found on our website at:

<http://www.mcrc-mi.org/constructionprojects.html>

By simply clicking on the "2017 Construction Project Map" link on the MCRC webpage, you can see planned work locations displayed using colored lines. If you select a project on the map by clicking on the colored line, a window will be displayed with information about the work being done and estimated start and completion dates. The MCRC uses a Google Fusion Table to create and update the information. This method is quicker and can be updated more frequently with less staff time.

The map provides information for planned primary and local road projects, but does not include other work the MCRC is engaged in such as crack filling, cold patching, mowing, grading gravel roads, dust control, sign maintenance, and culvert maintenance. As always your suggestions and comments are welcome and can be sent to [mrcr@mrcr-mi.org](mailto:mrcr@mrcr-mi.org).

## Contacting MCRC

If you need information about a road project or want to report a pothole, traffic signal problem or other road concern, please call the MCRC at 734-240-5102, email us at [mrcr@mrcr-mi.org](mailto:mrcr@mrcr-mi.org) or visit us on the web at: [www.mcrc-mi.org](http://www.mcrc-mi.org)

### Board of Road Commissioners:

*Paul Iacoangeli, Chairman  
Dan Minton, Vice Chairman  
Stephen J. Pace, Member  
Charles Londo, Member  
Greg W. Stewart, Member*
