

**CONSTRUCTION PROJECTS**  
**Week of May 2, 2022**

**Bedford Township**

**Secor Road between Consear Road and Erie Road**

South County Water System will be installing new water main along Secor Road between Consear Road and Erie Road. Traffic regulators will be used to maintain one-lane, two-way traffic when work is being performed. Secor Road is closed to through traffic except local residents, business and school buses. Detour route includes Erie Road, Douglas Road and Samaria Road.

**Berlin Township**

**Armstrong Road between Labo Road and Newport Road**

CN (Canadian National) Railroad is tentatively scheduled to close the double track crossing on Armstrong Road near Labo Road on Monday May 2, 2022 until Saturday, May 7, 2022 for track maintenance. Due to low traffic volume, there will be no posted detour. Please allow extra time when travelling in this area. All work is weather permitting.

**Swan Creek Road between Drew Street and Hunter Ridge Drive**

CN (Canadian National) Railroad is tentatively scheduled to close the double track crossing on Swan Creek near Drew Street on Thursday May 5, 2022 until Wednesday, May 13, 2022 for track maintenance. Detour route posted will use North Dixie Highway south to I-75 and then north to Swan Creek/Newport Exit. Note – There is already construction at I-75 and Swan Creek Road/Newport Road exit so please allow extra time when travelling in this area. All work is weather permitting.

**London Township**

**Ostrander Road between Muehleisen Road and Yensch Road**

Ostrander Road is scheduled to be closed to through traffic between Muehleisen Road and Yensch Road next week for removal and replacement of drainage cross tile under Ostrander Road. No detour route will be posted due to low traffic volume. All work is weather permitting.

## **Milan Township**

### **Berm Removal**

The following roads are tentatively scheduled for berm removal during the week of May 2<sup>nd</sup>. Traffic will be maintained with single lane closures while crews are working. Minor delays should be expected in the area. All work is weather permitting.

**Petersburg – Hickory to Redman**  
**Platt – Hickory to City Limits**  
**Sherman – Wabash to Crowe**

### **Ridge Road between North County Line Road and Hack Road**

Gerken Paving will be overlaying Ridge Road between North County Line Road and Hack Road next week. Traffic regulators will maintain one-lane, two-way traffic during the hot mix asphalt resurfacing operation. All work is weather permitting

## **Monroe Township**

### **Canterbury Farms Subdivision off Mortar Creek Road**

Construction work is tentatively scheduled late next week in Canterbury Farms Subdivision off Mortar Creek Road in preparation for hot mix asphalt resurfacing. Traffic regulators will be used to maintain local access. All work is weather permitting.

### **Dartmoor/Ravenwood/Teakwood Subdivision off M-125**

Construction work is tentatively scheduled late next week in Dartmoor/Ravenwood/Teakwood Subdivision off M-125 in preparation for hot mix asphalt resurfacing. Traffic regulators will be used to maintain local access. All work is weather permitting

### **Keegan Road between Albain Road and East Dunbar Road**

Cadillac Asphalt is tentatively scheduled to install gravel shoulders along Keegan Road between Albain Road and East Dunbar Road next week. Traffic regulators will maintain one-lane, two-way traffic during the shoulder operation.

## **Raisinville Township**

### **Stadler Road between Doty Road and Sheick Road**

Cadillac Asphalt is tentatively scheduled to install gravel shoulders along Stadler Road between Doty Road and Sheick Road next week. Traffic regulators will maintain one-lane, two-way traffic during the shoulder operation.
