CONSTRUCTION PROJECTS **Week of May 6, 2019**

Ash Township

Carleton Rockwood Road between I-275 and Berlin Road

Cadillac Asphalt is tentatively scheduled to mill and resurface Carleton Rockwood Road between I-275 and Berlin Road during the week of May 6th, weather permitting. During the cold milling and hot mix asphalt resurfacing operations, two-way traffic will be maintained on Carleton Rockwood Road with single lane closures and traffic regulator control. Short-term delays should be expected when traveling through the work zone during working hours.

Bedford Township

Summerfield Road between Consear Road and Smith Road

Pavement Maintenance Systems is scheduled to microsurface Summerfield Road between Consear Road and Smith Road during the week of May 6th. Sections of Summerfield Road will be closed to through traffic during the microsurfacing operation; however, access to local residences within the work zone will be maintained with traffic regulators.

Dundee Township

Ann Arbor Road between Hatter Road and Cone Road

Cadillac Asphalt will be performing joint repairs on Ann Arbor Road between Hatter Road and Cone Road during the week of May 6th. The joint repairs are being performed in preparation for hot mix asphalt resurfacing that is scheduled to be performed in the month of May. During the joint repair work, two-way traffic will be maintained on Ann Arbor Road with single lane closures and traffic regulator control. Short-term delays should be expected when traveling through the work zone during working hours.

Frenchtown Township

North Dixie Highway between I-75 and Sandy Creek Road

Pavement Maintenance Systems is scheduled to microsurface North Dixie Highway between I-75 and Sandy Creek Road during the latter part of the week of May 6th. During the microsurfacing operation, two-way traffic will be maintained on North Dixie Highway with single lane closures and traffic shifts.

Heiss Road between Telegraph Road and North Monroe Street

The tile crew will be replacing a cross tile on Heiss Road starting Wednesday, May 8th. The road will be closed to through traffic. The posted detour will be North Monroe Street to Hurd Road, then to Telegraph Road. Weather permitting the work should be completed by Thursday afternoon, May 9th.

Ida Township

Lewis Avenue between Rauch Road and Lulu Road

Cadillac Asphalt is scheduled to resurface Lewis Avenue between Rauch Road and Lulu Road during the week of May 6th. During the hot mix asphalt resurfacing operation, two-way traffic will be maintained on Lewis Avenue with single lane closures and traffic regulator control. Short-term delays should be expected when traveling through the work zone during working hours.
