CONSTRUCTION PROJECTS Week of June 3, 2019

Ash/Exeter Township

Exeter Road – Carleton West to Railroad Tracks

Crushing and shaping should be completed by Saturday, June 1st. Gerken Paving is tentatively scheduled to begin paving with hot mix asphalt towards the end of the week or following week, depending on weather. The road will continue to remain closed to through traffic until construction is complete. Short-term delays should be expected when traveling through the work zone during working hours.

Bedford Township

Whiteford Center Road between Smith and the Ohio State Line

The tree removal contractor (CHOP) will be performing tree removals on Whiteford Center Road the week of June 3rd. The road will be closed to thru traffic during daytime hours and fully opened to thru traffic at the end of the work day.

Dundee Township

Ann Arbor Road between Hatter Road and Cone Road

Cadillac Asphalt is scheduled to install gravel shoulders on Ann Arbor Road between Hatter Road and Cone Road during the week of June 3rd. During the shoulder operation, two-way traffic will be maintained on Ann Arbor Road with single lane closures and traffic regulator control. Short-term delays should be expected when traveling through the work zone during working hours.

Brewer – Dennison to Davis

Brewer Road between Dennison and Davis is scheduled to be single chip sealed during the week of June 3rd. The road is scheduled to be swept the following day. The road will be closed to through traffic during construction. All work is weather permitting

Dennison – M-50 to Day

Dennison Road between M-50 to Day is scheduled to be single chip sealed during the week of June 3rd. The road is scheduled to be swept the following day. The road will be closed to through traffic during construction. All work is weather permitting

Dennison – Brewer to M-50

Dennison Road between Brewer to M-50 is scheduled to be single chip sealed during the week of June 3rd. The road is scheduled to be swept the following day. The road will be closed to through traffic during construction. All work is weather permitting.

Petersburg – Summerfield/Dundee Township Line to Brewer

Petersburg Road from the Summerfield/Dundee Township Line to Brewer is scheduled to be single chip sealed during the week of June 3rd. The road is scheduled to be swept the following day. The road will be closed to through traffic during construction. All work is weather permitting

Wilcox – M-50 to Day

Wilcox Road between M-50 to Day is scheduled to be single chip sealed during the week of June 3rd. The road is scheduled to be swept the following day. The road will be closed to through traffic during construction. All work is weather permitting.

Exeter Township

Finzel Road – S. Stony Creek to Kane

Trenching is scheduled to begin on Finzel Road between S. Stony Creek and Kane, during the week of June 3rd. Crushing and Shaping, along with hot mix asphalt will follow within a couple of weeks. The road will be closed to through traffic during construction. All work is weather permitting. Short-term delays should be expected when traveling through the work zone during working hours.

London Township

Plank Road – Sherman to Ostrander

Plank Road from Sherman to Ostrander is scheduled to receive a 2” hot mix asphalt lift during the week of June 3rd. The road will be closed to through traffic during construction. All work is weather permitting. Short-term delays should be expected when traveling through the work zone during working hours.
