CONSTRUCTION PROJECTS Week of June 18, 2018

Bedford Township

Indian Acres Subdivision off Sterns Road

On Monday, June 18th, the contractor is scheduled to install a new storm sewer crossing under Sterns Road approximately ¼ mile west of Lewis Avenue. During the installation of the storm sewer crossing, two-way traffic will be maintained on Sterns Road with single lane closures and traffic regulators; however, motorists should expect delays during working hours. The contractor will be installing storm sewer along Indian Road during the remainder of the week, and Indian Road will be closed to through traffic between Sterns Road and Apache Trail for the duration of the project. Residents within the road closure will have access to their homes at all times except for when work is being performed immediately in front of their home. The contractor will notify residents prior to any work that will temporarily disrupt access to their driveway. Work in the Indian Acres Subdivision is expected to last through mid-August.

Berlin Township

Trombley – N. Dixie to Strong
Newport – Brandon to Armstrong
Masserant – Trombley to Port Sunlight
Chinavarre – Masserant to Labo
US Turnpike – N. Dixie to Port Sunlight
Labo – N. Dixie to Brandon
Haggerman – Sigler to Ready
N. Dixie – Ready to S. Huron

The above mentioned road are scheduled to be chip sealed the week of June 18th, weather permitting. Roads will be closed to thru traffic during this operation. Sweeping will be done approximately one day after the chip seal.

U.S. Turnpike – Labo Rd to Sigler Rd

Concrete deck sealing on the U.S. Turnpike bridge at Mouillee Creek. During working hours, two-way, one-lane traffic will be maintained with single lane closures using temporary traffic signals, and traffic regulators. Motorists should expect delays and use caution when traveling through the work zone.

Erie Township

Summit St – Morin Point St to Morin Grove St

Concrete deck patching on the Summit Street bridge at Halfway Creek. During working hours, two-way, one-lane traffic will be maintained with single lane closures using temporary traffic signals, and traffic regulators. Motorists should expect delays and use caution when traveling through the work zone.

Frenchtown Township

Hurd Road from M-125 to Vivian Road

Hurd Road will remain closed to through traffic between M-125 and Vivian Road during the week of June 18th for drainage improvements along Hurd Road. The signed detour route for the Hurd Road closure will utilize M-125, Nadeau Road and Vivian Road. Due to the nature of the work, no through traffic will be allowed through the project; however, access to local residences within the work zone will be maintained during construction. Hurd Road is expected to remain closed to through traffic until late June.

Pointe Aux Peaux – N. Dixie to Sterling Post – N. Dixie to East Township Line

The above mentioned road are scheduled to be chip sealed the week of June 18th, weather permitting. Roads will be closed to thru traffic during this operation. Sweeping will be done approximately one day after the chip seal.

Vivian Road at Hurd Road

The contractor is tentatively scheduled to begin work on the drainage improvements on Vivian Road at Hurd Road during the week of June 18th. Two-way traffic will be maintained on Vivian Road with single lane closures and traffic regulators. Two-lane, two-way traffic will be restored on Vivian Road at the end of each workday.

North Dixie Hwy – Sandy Creek Rd to Hurd Rd

Concrete deck patching on the North Dixie Highway bridge at Sandy Creek. During working hours, two-way, one-lane traffic will be maintained with single lane closures and traffic regulators. Motorists should expect delays and use caution when traveling through the work zone.

North Dixie Hwy – Pearl Dr to North Stony Creek Rd

Concrete deck sealing on the North Dixie Highway bridge at Stony Creek. During working hours, two-way, one-lane traffic will be maintained with single lane closures using traffic regulators. Motorists should expect delays and use caution when traveling through the work zone.

LaSalle Township

Stein – US-24 to Suder

Trenching and adding 2" of stone is scheduled for the week of June 18th, weather permitting. The road will be crushed and shaped following the trenching and stone and then paved. The road will be closed to thru traffic during this operation.

Milan Township

Ann Arbor Rd – Milwaukee Rd to Ostrander Rd

Ann Arbor Road bridge at Bear Swamp Creek. Concrete deck patching. During working hours, two-way, one-lane traffic will be maintained with single lane closures using temporary traffic signals, and traffic regulators. Motorists should expect delays and use caution when traveling through the work zone.

Raisinville Township

Dixon Road between Rath Farm Road and Sullivan Road

Starting Wednesday June 20th through Thursday June 21st, the tile crew is scheduled to remove and replace an existing cross-tile. The roadway will be closed to through traffic and possibly closed overnight. Weather permitting the work should be completed by Thursday afternoon June 21st.

Ida Maybee Rd – Dixon Rd to North Custer Rd

Concrete deck patching on the Ida Maybee Road bridge at River Raisin. During working hours, two-way, one-lane traffic will be maintained with single lane closures using temporary traffic signals, and traffic regulators. Motorists should expect delays and use caution when traveling through the work zone.
