## **CONSTRUCTION PROJECTS** **Week of July 9, 2018**

### **Ash/Exeter Townships**

#### **Exeter Road – S. Stony Creek to Nolan**

Exeter Road between S. Stony Creek and Nolan is scheduled to be chip sealed the week of July 9<sup>th</sup>, weather permitting. The road will be closed to through traffic during the chip sealing operation. Sweeping of the excess stone chips will be performed approximately one day after the chip seal is placed.

#### **South Stony Creek Road from Sumpter Road to Corkins Road**

The contractor is scheduled to begin tree removals on South Stony Creek Road from Sumpter Road to Corkins Road on Monday, July 9<sup>th</sup>. During working hours, two-way, one-lane traffic will be maintained on South Stony Creek Road with single lane closures and traffic regulators. The tree removal work on South Stony Creek Road is expected to last for approximately one week.

### **Bedford Township**

#### **Indian Acres Subdivision off Sterns Road**

On Monday, July 9<sup>th</sup>, the contractor is scheduled to install a new storm sewer crossing under Sterns Road between Jackman Road and Lewis Avenue. During the installation of the storm sewer crossing, two-way traffic will be maintained on Sterns Road with single lane closures and traffic regulators; however, motorists should expect delays during working hours. The contractor will continue installing storm sewer along Indian Road during the remainder of the week. Indian Road will remain closed to through traffic between Sterns Road and Apache Trail for the duration of the project. Work in the Indian Acres Subdivision is expected to last through mid-August.

### **Dundee Township**

#### **North County Line Road – M-50 to Brewer**

#### **Brewer Road – Petersburg to the Dundee village limit**

#### **Dixon Road – M-50 to Neiman**

The above roads are scheduled to be chip sealed the week of July 9<sup>th</sup>, weather permitting. The roads will be closed to through traffic during the chip sealing operation. Sweeping of the excess stone chips will be performed approximately one day after the chip seal is placed.

## **Exeter Township**

### **Sumpter Road – Stout to Oakville-Waltz Sumpter Road – S. Stony Creek to Stout**

The above roads are scheduled to be chip sealed the week of July 9<sup>th</sup>, weather permitting. The roads will be closed to through traffic during the chip sealing operation. Sweeping of the excess stone chips will be performed approximately one day after the chip seal is placed.

## **Frenchtown Township**

### **Hurd Road from M-125 to Vivian Road**

Hurd Road will remain closed to through traffic between M-125 and Vivian Road during the week of July 9<sup>th</sup> for drainage improvements along Hurd Road. The signed detour route for the Hurd Road closure will utilize M-125, Nadeau Road and Vivian Road. Work scheduled for the week of July 9<sup>th</sup> includes repaving of the driveway approaches and final project cleanup. Hurd Road is expected to be reopened to traffic at the end of the week.

### **Vivian Road at Hurd Road**

Work scheduled for the upcoming week on the Vivian Road drainage improvement project at Hurd Road includes repaving of the driveway approaches on Vivian Road and patching of the storm sewer trench on Hurd Road east of Vivian Road. During working hours, two-way, one-lane traffic will be maintained with single lane closures and traffic regulators. All work on the Vivian Road project is expected to be completed by the end of the week.

## **LaSalle Township**

### **Stein Road from North Suder Road to US-24 (Telegraph Road)**

Stein Road will remain closed to through traffic between North Suder Road and US-24 (Telegraph Road) during the week of July 9<sup>th</sup>. Work scheduled for the upcoming week includes installation of the gravel shoulders. Stein Road is expected to be reopened to traffic by the end of the week.

## **London/Milan Townships**

### **Plank Road – Sanford to Ostrander**

Plank Road between Sanford and Ostrander is scheduled to be chip sealed the week of July 9<sup>th</sup>, weather permitting. The road will be closed to through traffic during the chip sealing operation. Sweeping of the excess stone chips will be performed approximately one day after the chip seal is placed.

## **Milan Township**

### **Milwaukee – Dennison to Ann Arbor**

Milwaukee Road between Dennison and Ann Arbor is scheduled to be chip sealed the week of July 9<sup>th</sup>, weather permitting. The road will be closed to through traffic during the chip sealing operation. Sweeping of the excess stone chips will be performed approximately one day after the chip seal is placed.

## **Raisinville Township**

### **Doty Road from Stewart Road to Stadler Road**

Doty Road will remain closed to through traffic between Stewart Road and Stadler Road during the week of July 9<sup>th</sup>. Work scheduled for the upcoming week includes completion of the hot mix asphalt wearing course and installation of the gravel shoulders. Doty Road is expected to be reopened to traffic by the end of the week.

### **Ida Maybee Road between Dixon Road and North Custer Road**

Concrete deck patching is scheduled to be performed on the Ida Maybee Road bridge over the River Raisin during the week of July 9<sup>th</sup>. During working hours, two-way, one-lane traffic will be maintained with single lane closures utilizing temporary traffic signals. Motorists should expect delays and use caution when traveling through the work zone.

## **Whiteford Township**

### **Beck Road from Memorial Highway to Head O Lake Road**

Beck Road will remain closed to through traffic between Memorial Highway and Head O Lake Road during the week of July 9<sup>th</sup>. Work scheduled for the upcoming week includes rubblizing of the concrete base and cement stabilization of the rubblized concrete base. Beck Road is expected to remain closed to through traffic until late-July.
