

MONROE COUNTY ROAD COMMISSION

840 S. Telegraph Road Monroe, Michigan 48161 Phone: (734) 240 -5102 Fax: (734) 240 -5101

CONSTRUCTION PROJECTS Week of August 26, 2019

Ash Township

Newburg - Briar Hill to CSX Railroad

The contractor is tentatively scheduled to begin base stabilization on Newburg Road between Briar Hill and CSX Railroad in preparation for double chip seal. The double chip seal should take place 1-2 weeks after the base stabilization is completed. The road will be closed to through traffic until paving is completed.

Sweitzer – Sigler to Ready

The Monroe County Drain Commission will continue with the closure on Sweitzer Road at the Little Swan Creek Drain for replacement of the culvert under the road. The closure is located between Sigler Road and Ready Road. The replacement should be completed by the end of August. This will be a total road closure at the culvert. Local residents, south of the culvert will be able to access their homes from the Indian Trail Road intersection and those north of the culvert will have to come and go from the Ready Road intersection.

Ash / Exeter Townships

Exeter Road – Sigler to Carleton West

Exeter Road between Nolan Road and Scofield Carleton Road Culvert Replacement: Exeter Road at Little Swan Creek is completely closed to all traffic at the culvert. Those living north of the bridge will have to access their homes from Scofield-Carleton Road and those south of the bridge from Nolan Road. The signed detour route around the project is via Sigler Road, Maxwell Road and Carleton West Road. Exeter Road is expected to be opened back up to traffic in Mid-September.

Bedford Township

Lewis Avenue Closure for Downtown Temperance Festival

Lewis Avenue will be closed from South Park Drive to King Street beginning Saturday, August 24th for the Downtown Temperance Festival taking place between 9am and 4pm. The intersection of Temperance Road and Lewis Avenue will also be closed. Detour routes will be in place for this event.

Lewiston Estates Subdivision off Lewis Avenue

Work scheduled for the upcoming week on the Lewiston Estates Special Assessment District project includes continuation of the drainage improvements at various locations in the subdivision. The contractor is also scheduled to begin crushing and shaping the existing roads in preparation for installation of the hot mix asphalt base course which is tentatively scheduled for the week of September 2nd. Access to residences within the subdivision will be maintained during construction; however, motorists are encouraged to use caution when traveling through the work zone. Work in the Lewiston Estates Subdivision is expected to last through late-September.

Sterns Road – Jackman Road to US-24 (Telegraph Road)

The contractor is scheduled to install the gravel shoulders on Sterns Road between Jackman Road and Telegraph Road during the week of August 26th. During the installation of the gravel shoulders, two-way traffic will be maintained on Sterns Road with single lane closures and traffic regulators. Short-term delays should be expected when traveling through the work zone during working hours.

Exeter Township

S.Stony Creek – Sumpter to Palmer

S. Stony Creek Road between Sumpter and Palmer is tentatively scheduled for paving in 1-2 weeks. Shoulder work will follow paving. The road will be closed to through traffic until paving is completed. All work is weather permitting.

Raisinville Township

Sullivan – Between South Custer and Dixon Roads

The Monroe County Drain Commission will be closing Sullivan Road at the Sorter Drain for replacement of the culvert under the road. The closure is located between South Custer Road and Dixon Roads. The closure is expected to begin Monday, August 26, 2019 and should only take 1 day to complete, weather permitting. This will be a total road closure at the culvert. Due to the short duration of the closure and local nature of the traffic a detour will not be signed.
