CONSTRUCTION PROJECTS **Week of September 14, 2020**

Bedford Township

Sterns Road from Secor Road to Douglas Road

Gerken Paving is scheduled to resurface Sterns Road between Secor Road and Douglas Road with hot mix asphalt during the upcoming week. During milling and paving operations, one-lane, two-way traffic will be maintained on Sterns Road with traffic regulators. Motorists should expect delays when traveling through the work zone during working hours.

Dundee Township

Meanwell Road between Eggert Road and M-50 (South Custer Road)

Meanwell Road is scheduled to be closed to through traffic between Eggert Road and M-50 on Monday, September 14th for tree removals by CHOP, Inc. This road closure is scheduled for one day only, and Meanwell will be reopened to through traffic at the end of the workday. A detour route will not be posted due to the low traffic volume and short duration of the closure.

Frenchtown Township and the City of Monroe

North Dixie Highway from Detroit Avenue to east of I-75

Cadillac Asphalt is scheduled resurface North Dixie Highway from Detroit Avenue to east of I-75 with hot mix asphalt during the upcoming week. The tentative schedule consists of milling on Friday, September 18th, and paving on Saturday, September 19th and Sunday, September 20th. During milling and paving operations, one lane of traffic will be maintained in each direction on North Dixie Highway, and traffic regulators will direct traffic at the signalized intersections. Motorists should expect delays when traveling through the work zone during working hours.

Frenchtown Township

Hurd Road between Yax Road and North Dixie Highway

Hurd Road is scheduled to be closed to through traffic between Yax Road and North Dixie Highway starting on Monday, September 14th for replacement of the culvert at the Swope & Hurd Drain by the Monroe County Drain Commission. Due to the nature of the work, no through traffic will be allowed on Hurd Road during the road closure; however, access to local residences within the closure will be maintained. The posted detour route for the road closure will utilize Yax Road, Sandy Creek Road, and North Dixie Highway. The Hurd Road closure is expected to last approximately one week, weather permitting.

London Township

Tuttle Hill Road between Day Road and Oelke Road

Tuttle Hill Road is scheduled to be closed to through traffic between Day Road and Oelke Road starting on Monday, September 14th for replacement of the culvert at Little Sandy Creek by the Monroe County Drain Commission. Due to the nature of the work, no through traffic will be allowed on Tuttle Hill Road during the road closure; however, access to local residences within the closure will be maintained. A detour route will not be posted due to the low traffic volume and short duration of the closure. The Tuttle Hill Road closure is expected to last approximately one week, weather permitting.

Monroe Township

Albain Road between M-125 (South Dixie Highway) and LaPlaisance Road

Cadillac Asphalt is scheduled to install gravel shoulders on Albain Road between M-125 (South Dixie Highway) and LaPlaisance Road during the upcoming week. During shoulder gravel operation, one-lane, two-way traffic will be maintained on Albain Road with traffic regulators.

Hull Road between Albain Road and Dunbar Road

Cadillac Asphalt is scheduled to install gravel shoulders on Hull Road between Albain Road and Dunbar Road during the upcoming week. During shoulder gravel operation, one-lane, two-way traffic will be maintained on Albain Road with traffic regulators.

Whiteford Township

Sterns Road from US-23 to Whiteford Road

Gerken Paving is scheduled resurface Sterns Road with hot mix asphalt between US-23 and Whiteford Road during the upcoming week. The tentative schedule consists of milling on Friday, September 18th, and paving on Saturday, September 19th and Sunday, September 20th. During milling and paving operations, one-lane, two-way traffic will be maintained on Sterns Road with lane closures and traffic regulators. Motorists should expect delays when traveling through the work zone during working hours.
