CONSTRUCTION PROJECTS **Week of October 5, 2020**

Bedford Township

Sterns Road at Secor Road

Gerken Paving is tentatively scheduled to resurface the intersection of Sterns Road and Secor Road during the nights of Wednesday, October 7th through Friday, October 9th, weather permitting. The resurfacing work is being performed at night to minimize traffic delays and disruptions to businesses at this location. Traffic regulators will maintain two-way traffic on both roads during the resurfacing operation. Motorists are urged to exercise caution when travelling through the work zone while work is being performed.

Frenchtown Township

North Dixie Highway from Detroit Avenue to east of I-75

Cadillac Asphalt is tentatively scheduled to resurface North Dixie Highway from Detroit Avenue to east of I-75 with hot mix asphalt in the upcoming week. During the construction work, one lane of traffic will be maintained in each direction on North Dixie Highway with traffic regulators directing traffic at the signalized intersections. Motorists should expect delays when traveling through the work zone during working hours. All work is weather permitting.

Frenchtown and Raisinville Townships

North Custer Road at South Raisinville Road

Gerken Paving is tentatively scheduled to begin construction on a new bypass lane on westbound North Custer Road at South Raisinville Road during the upcoming week. Traffic regulators will maintain two-way traffic on North Custer Road during the work. The new bypass lane is being installed as part of the hot mix asphalt resurfacing project on North Custer Road between Doty Road and South Raisinville Road that is scheduled to start later this month. All work is weather permitting.

Whiteford Township

Whiteford Road between State Line Road and Smith Road

The tile crew will continue installing a new storm water tile on the east side of Whiteford Road between State Line Road and Smith Road in the upcoming week. The road will be closed to through traffic during the day and reopen to through traffic at the end of the day. The detour route posted for this closure will use Alexis Road to Whiteford Center Road to Smith Road. All work is weather permitting.
