CONSTRUCTION PROJECTS **Week of October 22, 2018**

Ash/Exeter/Frenchtown Township

S. Stony Creek from Telegraph to Sumpter

The contractor is scheduled to continue paving on S. Stony Creek between Sumpter and Telegraph during the week of October 22nd, weather permitting. This week they will begin paving the wearing course. All work is dependent on contractor schedules and weather. The road will be closed to thru traffic until the project is completed.

Bedford Township

Mildred Avenue off Lewis Avenue

The contractor is scheduled begin work on the Mildred Avenue resurfacing project during the middle part of the week of October 22nd. Work scheduled for the upcoming week includes removal of the existing pavement surface and regrading and compacting the existing aggregate base in preparation for the resurfacing operation. Access to local residences on Mildred Avenue will be maintained during construction. Work on the Mildred Avenue project is expected to last through early-November.

Springbrook Subdivision off Secor Road

The contractor is scheduled begin work on the Springbrook Subdivision resurfacing project during the middle to latter part of the week of October 22nd. Work scheduled for the upcoming week includes removal of the existing pavement surface on Springdale Drive between Shadywood Drive and Secor Road, regrading and compacting the existing aggregate base and placement of the hot mix asphalt base course. Springdale Drive will be closed to through traffic during this work, and the homeowners in the Springbrook Subdivision should use the two entrances off Monroe Road while Springdale Drive is closed. Work in the Springbrook Subdivision is expected to last through mid-November.

Erie Township

Luna Pier Road between M-125 (South Dixie Highway) and I-75

Luna Pier Road has been rescheduled to be resurfaced between M-125 (South Dixie Highway) and I-75 during the latter part of the week of October 22nd, weather permitting. During the resurfacing operation, two-way traffic will be maintained on Luna Pier Road with single lane closures and traffic regulators. Short-term delays should be expected when travelling through the work zone.

Frenchtown Township

Vivian Road Bridge at Sandy Creek, between Cole Road and Hurd Road

Vivian Road is completely closed to all traffic at the bridge over Sandy Creek between Cole Road and Hurd Road for rehabilitation. The project has been delayed due to fabrication and construction delays, with a tentative open to traffic date of November 2nd and project completion in mid-November 2018, weather permitting. The signed detour around the closed bridge is via Cole Road, North Monroe Street (M- 125) and Nadeau Road.

Ida Township

Morocco Road between Lewis Avenue and Jackman Road

The tile crew will be resetting both ends of the concrete cross tile at the Middle Branch of Otter Creek on Thursday October, 25th. The roadway will remain closed to through traffic during working hours. Due to low traffic volume there will be no posted detour. Weather permitting the work should be completed by Thursday afternoon, October 25th.
