Yax Road between Sandy Creek Road and Hurd Road

Yax Road is scheduled to be closed to through traffic between Sandy Creek Road and Hurd Road beginning on Thursday, November 19th for the removal and replacement of a drainage cross tile under Yax Road. A detour route will not be posted for this closure due to the low traffic volume on Yax Road and the short duration of the closure. Weather permitting, Yax Road is expected to be reopened on the afternoon of Friday, November 20th.
