CONSTRUCTION PROJECTS Week of May 3, 2021

Bedford Township

Secor Road between St. Anthony to Samaria Road

The county wide tree removal contractor (CHOP) will be performing tree removal and tree trimming at various locations along Secor Road between St. Anthony Road and Samaria Road. Local traffic will be maintained, but minor delays should be expected during the tree trimming operations. All work is weather permitting.

Bedford and Ida Townships

Rauch Road between Wells Road to Secor Road

Cadillac Asphalt is tentatively scheduled to begin a hot mix asphalt resurfacing project on Rauch Road between Wells Road and Secor Road next week. The road will be closed to through traffic. Traffic regulators will maintain local access. Delays should be expected when traveling through the work zone during working hours. All work is weather permitting.

Bedford and Whiteford Townships

Adler Road between Sterns Road to Consear Road

Construction work is tentatively scheduled for the upcoming week on Adler Road between Sterns Road and Consear Road which will include shoulder and ditch work in preparation for the hot mix asphalt overlay. Two-way traffic will be maintained on Adler Road with single lane closure and traffic regulators. Delays should be expected when traveling through the work zone during working hours. All work is weather permitting.

St. Anthony Road between Secor Road to US-23

The county wide tree removal contractor (CHOP) will be performing tree removal and tree trimming at various locations along St. Anthony Road between Secor Road and US-23. Local traffic will be maintained, but minor delays should be expected during the tree trimming operations. All work is weather permitting.

Berlin Township

Pheasant Run Subdivision, Phase 2, Off North Dixie Highway

Cadillac Asphalt Company is tentatively scheduled to resurface roads in Pheasant Run Subdivision, Phase 2, off North Dixie Highway with a hot mix asphalt. The road will be closed to through traffic. Local access to residents will be maintained. Residents are asked to refrain from parking on the street for the duration of the project. All work is weather permitting.

Dundee and Milan Townships

North County Line Highway between M-50 and Milwaukee Road

The county wide tree removal contractor (CHOP) will be performing tree removal and tree trimming at various locations along North County Line Highway between M-50 and Milwaukee Road. Local traffic will be maintained, but minor delays should be expected during the tree trimming operations. All work is weather permitting.

Erie Township

Benore Road between M-125 and Dead End

Buck Pavement Restoration is tentatively scheduled to perform over band crack fill on various locations along Benore Road between M-125 and Dead End next week. Traffic will be maintained with intermittent single lane closures during the over band crack fill operation. Motorists should expect delays during working hours. All work is weather permitting.

Morin Water Haven Subdivision, off Suder Road

Cadillac Asphalt is tentatively scheduled to resurface roads in the Morin Water Haven Subdivision, off Suder Road. Roads will be closed to through traffic, but local access will be maintained for residents living in the subdivision. Residents are asked to refrain from parking on the street for the duration of the work. All work is weather permitting.

Milan Township

Cone Road between US-23 and Wabash Road

The county wide tree removal contractor (CHOP) will be performing tree removal and tree trimming at various locations along Cone Road between US-23 and Wabash Road.
