CONSTRUCTION PROJECTS Week of July 12, 2021

Ash Township

Grafton Road between Sigler Road and Ready Road

Cadillac Asphalt is scheduled to overlay Grafton Road between Sigler Road and Ready Road next week. Traffic regulators will maintain one-lane, two-way traffic during the hot mix asphalt resurfacing operation.

Bedford and Erie Townships

Samaria and Lakeside Roads between Lewis Avenue and US-24 (Telegraph Road)

Gerken Paving is scheduled to remove existing concrete driveway approaches along Samaria and Lakeside Roads between Lewis Avenue and Telegraph Road next week. This concrete driveway approaches are being removed in advance of the shoulder paving operation that is tentatively scheduled to begin during the week of July 19th. Traffic regulators will maintain one-lane, two-way traffic during the concrete driveway approach removals.

Bedford and Whiteford Townships

Adler Road between Sterns Road and Consear Road

Cadillac Asphalt is tentatively scheduled to install gravel shoulders along Adler Road between Sterns Road and Consear Road next week. Traffic regulators will maintain one-lane, two-way traffic during the shoulder operation.

Berlin Township

North Dixie Highway between Labo Road and Ready Road

Cadillac Asphalt is tentatively scheduled to install gravel shoulders along North Dixie Highway between Labo and Ready Road next week. Traffic regulators will maintain one-lane, two-way traffic during the shoulder operation.

Dundee Township

North County Line Road between M-50 and Day Road

Cadillac Asphalt is tentatively scheduled to install gravel shoulders along North County Line Road between M-50 and Day Road next week. Traffic regulators will maintain one-lane, two-way traffic during the shoulder operation.

Dundee and Raisinville Townships

Dixon Road between East Lloyd Road and the CN Railroad Crossing East of Nieman Road

Gallagher Asphalt is scheduled to continue the hot in-place recycling operation on Dixon Road between East Lloyd Road and the CN Railroad crossing east of Nieman Road next week. Dixon Road will be closed to through traffic during working hours, and traffic regulators will maintain local access within the work zone.

Erie Township

Chip Seal Projects

The following roads are tentatively scheduled to be chip sealed during the upcoming week. The roads will be closed to through traffic while crews are working. The roads will be swept the following day, and motorists are encouraged to travel at the advisory speed limit of 25 mph until the chip seal surface has been swept.

Dean Road between M-125 and Suder Road
Manhattan Street between M-125 and Suder Road
Terminal Place Subdivision off M-125
Lotus Drive between M-125 and Suder Road

Erie and LaSalle Townships
