CONSTRUCTION PROJECTS. **Week of August 29, 2022**

Ash Township

Carleton Rockwood Road from I-275 to Briar Hill Road

RAM Construction Services is scheduled to apply a concrete surface coating on the bridge railings on the Carleton Rockwood Road bridge over Swan Creek. One-lane, two-way traffic will be maintained with traffic regulators when work is being performed.

Ash, Exeter, and Frenchtown London Townships

South Stony Creek Road from Palmer Road to US-24 (Telegraph Road)

Fahrner Asphalt Sealers is scheduled to begin a fog sealing project on South Stony Creek Road between Palmer Road and Telegraph Road at the end of next week. Traffic regulators will maintain one-lane, two-way traffic during the fog sealing operation.

Bedford Township

Summerfield Road between Sterns Road and Secor Road

South County Water System will continue installing new water main along Summerfield Road between Sterns Road and Secor Road, and they will be installing new water main along some of the side streets off Summerfield Road. Summerfield Road will remain closed to through traffic during the water main work. The signed detour route for this road closure utilizes Sterns Road and Secor Road.

Bedford and Whiteford Townships

St. Anthony Road from Whiteford Center Road to Secor Road

Gerken Paving will be resurfacing St. Anthony Road between Whiteford Center Road and Secor Road. Traffic regulators will maintain one-lane, two-way traffic during the hot mix asphalt resurfacing operations.

Erie Township

Summit Street Bridge between Sterns Road and State Line

Miller Bros. will begin deck work on the east half of the bridge carrying Summit Street over Shantee Creek. Two-lane, two-way traffic will be maintained throughout work activities utilizing a temporary paved lane in the shoulder of Summit Street and a lane shift. All work is weather permitting

Frenchtown, Monroe, and Raisinville Townships

Raisinville Road between M-50 and North Custer Road

RAM Construction Services is scheduled to apply a concrete surface coating on the bridge railings on the South Raisinville Road bridge over River Raisin. One-lane, two-way traffic will be maintained with traffic regulators when work is being performed.

Ida and Raisinville Townships

Ida East Road between Lewis Road and Geiger Road

The county-wide tree removal contractor (Alpine Tree Service) will be performing tree removals and tree trimming. The road(s) may be closed to thru traffic during daylight hours with no detour(s) posted due to the short term duration of the work and the low traffic volumes. All work is weather permitting

London Township

Palmer Road from Oakville Waltz Road to South Stony Creek Road

Fahrner Asphalt Sealers is scheduled to begin a fog sealing project on Palmer Road between Oakville Waltz Road and South Stony Creek Road at the end of next week. Traffic regulators will maintain one-lane, two-way traffic during the fog sealing operation.

Monroe and Raisinville Townships

Dunbar between Geiger Road and Keegan Road

The county-wide tree removal contractor (Alpine Tree Service) will be performing tree removals and tree trimming. The road(s) may be closed to thru traffic during daylight hours with no detour(s) posted due to the short term duration of the work and the low traffic volumes. All work is weather permitting

Raisinville Road between Dunbar Road and M-50

RAM Construction Services is scheduled to apply a concrete surface coating on the bridge railings on the South Raisinville Road bridge over Plum Creek. One-lane, two-way traffic will be maintained with traffic regulators when work is being performed.

Summerfield Township

Petersburg Road between Ida West Road and McCarty Road

RAM Construction Services is scheduled to apply a concrete surface coating on the bridge railings on the Petersburg Road bridge over River Raisin. One-lane, two-way traffic will be maintained with traffic regulators when work is being performed.

Ida Center Road between Sylvania Petersburg Road and Summerfield Road

The county-wide tree removal contractor (Alpine Tree Service) will be performing tree removals and tree trimming. The road(s) may be closed to thru traffic during daylight hours with no detour(s) posted due to the short term duration of the work and the low traffic volumes. All work is weather permitting.
