

# MONROE COUNTY ROAD COMMISSION

840 S. Telegraph Road • Monroe, Michigan 48161 • Phone: (734) 240-5102 • Fax: (734) 240-5101

## **CONSTRUCTION PROJECTS.** **Week of September 26, 2022**

### **Bedford Ida Townships**

#### **Deer Creek Subdivision off Secor Road**

Gerken Paving will be cold milling the existing pavement surface and resurfacing the roads with hot mix asphalt in the Deer Creek subdivision in the latter part of the week. Traffic regulators will maintain one-lane, two-way traffic when work is being performed.

#### **Rauch Road between Douglas Road and Secor Road**

Construction will begin to install a new Cross Tile under Rauch Road between Douglas Road and Secor Road. Rauch Road will be closed to through traffic. The signed detour will include Douglas, Morocco and Secor Road.

#### **Samaria Road between Lewis Avenue and Secor Road**

South County Water System will be installing new water main under Samaria Road and the railroad tracks in Samaria. Samaria Road will be closed to through traffic. Signed detour will include Lewis Avenue, Erie Road and Secor Road. This is expected to last (1) one week.

#### **Section Road between Whiteford Center Road and Secor Road**

South County Water System will be installing new water main along Section Road between Whiteford Center Road and Secor Road. Section Road will be closed to through traffic. Signed detour will include Secor Road and Smith Roads.

#### **Stoneybrook & Brookwood Forest Subdivisions off Jackman Road and Dean Road**

Gerken Paving will be cold milling the existing pavement surface, performing full-depth pavement repairs, and resurfacing the roads with hot mix asphalt in the Stoneybrook and Brookwood Forest subdivisions. Traffic regulators will maintain one-lane, two-way traffic when work is being performed.

### **Berlin Township**

#### **North Dixie Highway between Armstrong Road and Post Road**

The MCRC will have a contractor upgrading road signs at the large curves on this Road. Traffic will be maintained with minor delays for the crews working. All work is weather permitting.

## **Dundee Township**

### **Stowell Road between Radka Road and Bigelow Road at the Macon River**

The MCRC will have a contractor removing a log jam at the bridge. The road is scheduled to be closed on Tuesday, 9-27-22 from 8:00 AM to 5:00 PM. No detour will be posted due to the short term duration of the work. All work is weather permitting.

## **Erie Township**

### **Summit Street Bridge between Sterns Road and State Line**

Miller Bros. will begin deck work on the east half of the bridge carrying Summit Street over Shantee Creek. Two-lane, two-way traffic will be maintained throughout work activities utilizing a temporary paved lane in the shoulder of Summit Street and a lane shift. All work is weather permitting

## **Frenchtown Township**

### **Newport South Road between Swan Creek Road and Post Road War Road between Buhl Road and post Road**

The MCRC will have a contractor upgrading road signs at the large curves on these two Roads. Traffic will be maintained with minor delays for the crews working. All work is weather permitting

## **Ida Township**

### **Ida Center Road between Douglas Road and Lewis Avenue**

The contractor will be installing gravel shoulders on Ida Center Road between Douglas Road and Lewis Avenue in the latter part of the week. Traffic regulators will maintain one-lane, two-way traffic during the gravel shoulder installation operation.

## **Raisinville Township**

### **Ida Maybee Road between North Custer Road and Dixon Road at the River Raisin**

The MCRC will have a contractor removing a log jam at the bridge. The road is scheduled to be closed on Wednesday, 9-28-22 from 8:00 AM to 5:00 PM. No detour will be posted due to the short term duration of the work. All work is weather permitting.

## **Summerfield Township**

### **Deerfield Road between Dennison Road and Petersburg City Limits at the River Raisin**

The MCRC will have a contractor removing a log jam at the bridge. The road is scheduled to be closed on Monday, 9-26-22 from 10:00 AM to 5:00 PM. No detour will be posted due to the short term duration of the work. All work is weather permitting.

**Whiteford Township**

**Whiteford Center Road between Smith Road and Little Streams Trail**

South County Water System will be installing new water main along Whiteford Center Road between Smith Road and Little Streams Trail. Whiteford Center Road will be closed to through traffic. Signed detour will include Secor Road and Sterns Roads.
